

Greetings from Care Farming UK!

We are thrilled to be partnered with the [Farm Business Innovation Show](#) taking place this November 8th & 9th at the NEC in Birmingham. Care Farming UK will have a stand at this event and we do hope you will come and see us!

The event is dedicated to farmers, landowners, and rural business entrepreneurs who are looking to find new ways to diversify and increase their income. The Farm Business Innovation Show is packed with industry leading exhibitors, the most exciting speakers in the industry along with hands on workshops and academies designed to help you make the most of your land and property.

The calibre of speakers is second to none! Be sure to come by to catch the likes of...

- **Michael Eavis** - Worthy Farm and Glastonbury Music Festival speaking about how 'The Farm and Festival - How They Work Together'
- **Geoff Sansome** - Head of Agriculture with a seminar on 'Win, win. Managing environmental assets in the farm business'
- **Roger Allonby** - Rural Payments Agency will be discussing 'Rural Development Programme for England (RDPE) Grant Funding'
- **Doug Gurr** - Amazon's Head of UK will be talking through unlocking rural digital potential and how rural businesses can benefit from advances in technology

... and many more!

As if the speakers were not enough, some of the other incredible features of this years exceptional event are:

- Live Panel Debates
- Amazon Rural Business Academy
- 500 World Class Suppliers
- Unparalleled Networking Opportunities
- Free Access to Sister Shows - Country House Business Innovation - Holiday Park & Resort Innovation - Family Attraction Expo

In this current economic climate, it has never been more relevant or important to increase streams of income through diversification. The Farm Business Innovation Show is the ideal place to find out how to do so. And amazingly, the tickets are FREE! To find out more about the event and register for your free ticket visit www.farmbusinessshow.co.uk

We can't wait to see you there!

Debbie & Rachel
